The International African Institute (IAI) was founded in 1926 in London as the International Institute of African Languages and Cultures. Over the years, the IAI has played a pioneering role in promoting international research, conferences and publications in the fields of African studies, notably anthropology, culture and languages. Publications include the prestigious international journal, *Africa*; the *Africa Bibliography*, scholarly books, the *International African Library* series, the *African Arguments* series; edited volumes of seminar proceedings; and the *Readings in*...series (volumes for use in university teaching). The institute is a registered charity and a company limited by guarantee.

L'Institut Africain International a pour but de promouvoir les travaux de recherche, les conférences et les publications relatives aux sociétés, aux cultures et aux langues africaines. L'institut encourage également la mise en application de la recherche et de la science sur le plan pratique en Afrique.
